

KPIC

MAINTENANCE
SERVICES
INC.

| AN **FWS** COMPANY

KPIC **MAINTAINING** **YOUR HIGHEST** **PERFORMANCE**

Seven days a week, 24 hours a day, KPIC offers safe, easy, and efficient maintenance and repair solutions. We understand that an optimal facility produces optimal output. Whether you are a small grain facility needing scheduled maintenance or a large oilseed harvester needing an urgent repair, KPIC employees are ready to help from Ontario to British Columbia.

An FWS company, KPIC applies over 70 years of collective experience every day. Guided by our core values of quality, safety, and work ethic, we work to prevent interruptions and ensure businesses remain competitive in the marketplace.
